Similasan Allergy Eye Relief

Eye Doctor recommended Similasan Eye Drops for Allergy Eye Relief stimulate the eye's natural ability to fight symptoms of allergies due to pollen, pet dander, mold spores and more.

The active ingredients in Similasan Allergy Eye Relief eye drops work safely and effectively with no known side effects and no known drug interactions.

Similasan Allergy Eye Relief is also available in preservative-free single-use droppers through drugstore.com or your local health food store.

Uses

According to homeopathic principles, the active ingredients in this medication temporarily relieve minor allergy symptoms such as:

- Itching
- Burning
- Excessive watering
- Inflammation
- Redness of eyes and lids
